

St Anthony's news

Edition 12
14 August 2025

Last week we gathered as a community to celebrate the Feast of Mary of the Cross, Mary MacKillop. We reflected on her legacy. Mary was an incredible woman whose faith and dedication to education shaped Australia, particularly education in outback Australia.

As a school founded by the Josephite nuns, the congregation Mary belonged to, we share a special bond. The essence of who she was, is lived in our everyday experience. Her words 'Never see a need without doing something about it' prominent in our atrium, continue to guide, challenge and shape us. We witness these words in the thoughts, words and actions of each other. We are called to action, to respond to her example with faith, compassion and hope. Our 2025 United in Hope, pays homage to her, while also reflecting this jubilee year.

Tomorrow, we acknowledge and celebrate the Feast of the Assumption. Where we will again gather to honour and celebrate Mary. This time, Mary, the mother of Jesus and our heavenly mother. Mary was a woman of strength, love, compassion and determination. She had a faith so strong she said yes; yes to what was hard, yes to the unknown, yes to God. Mary shows us the way to live our lives as people of humility and unconditional love. She loved her son unconditionally and she teaches us how we too can love Jesus.

We invite everyone to celebrate with us at 9.15 am, Friday 15 August in our beautiful church.

STAFFING NEWS

In the coming week Ashleigh Psalia will leave us to prepare for and welcome her second bundle of joy. We wish Ashleigh and her family all the very best as they grow from a family of three into a family of four. We look forward to hearing the news of their newest addition's arrival. Interviews for the position of Performing Arts Teacher have concluded and I will shortly announce Ashleigh's replacement until her anticipated return in 2027.

SPORTING ACCOLADES

We continue to go from strength to strength in the sporting arena. Congratulations to our Girl's Tee Ball team who are now off to State. While the successes are amazing, it is the unwavering team work and sportspersonship which stands out. Our teams demonstrate who we want our St Anthony's students to be-young people who display commitment, determination and encouragement to not only their team mates but also the opposition. Well done to the team and coach, Nick Haddon.

GRATITUDE

Thank you to our Mini Vinnies team who organised a fun day of PJ wearing and a HUGE thank you to all for the generous donations collected. The bags of tooth brushes, toothpaste, socks and gloves located in the atrium are incredible. Shortly we will present the donated items to the St Vincent de Paul Alphington Conference Group for distribution. The spirit of Mary Mackillop's words, evident in our collective action for those in need.

AUSTRALIAN MATHS COMPETITION

What a joy it was to witness twenty three of our students from year 3 to 6 participate in the Australian Maths Competition. Some of the students have a love and aptitude for mathematics and others were simply keen to have a go. Every single one of them should be proud of their efforts and commitment to ongoing learning.

100 DAYS OF LEARNING

Congratulations to our junior students who celebrated 100 days of learning. This group has so much to celebrate. They continue to surprise and astound in their growth and development socially, emotionally and academically under the guidance of their incredible teacher Rebekah Grenfell and ESO's Mary Paschalidis and Vince D'Acri. We look forward to seeing all they achieve this year, there is no doubt they will continue to shine!

BOOK WEEK

Next week we celebrate Book Week. This year's theme is 'Book An Adventure'.

Don't forget we have our Dress Up Parade on Monday 18 August at 9am (no assembly that day) and the Family Activity Afternoon Friday 22 August at 2.30pm. For this afternoon we are asking for a gold coin donation which will go to Opening The Doors Foundation. Opening the Doors supports indigenous literacy and is the key foundation we support as a F.I.R.E Carrier school. We hope to see many parents, siblings, grandparents, aunties and uncles in attendance. There will also be a fun (and somewhat challenging) activity in the atrium for students, staff and parents to participate in, if they choose.

PRINCIPAL'S CONFERENCE

Unfortunately I will be with you all in spirit only as you celebrate Book Week, as I will be attending the Australian Catholic Education Conference in Cairns with the North Central Zone Principal's Network and over 1,500 educators, leaders, clergy and parents involved in Catholic Education. A privilege I do not take for granted.

The theme of the conference "Hope, Anchored in Faith" will be explored through the strategic vision and mission of Catholic Education. I look forward to being personally challenged, inspired and empowered in my role as a leader in Catholic Education, bringing back my learning to share with you all.

I am excited for the opportunity to attend this conference while at the same time disappointed that I will miss the Book Week celebrations. I look forward to hearing all about them on my return. During this week I will be available via email, while onsite Rosanna Romeo, Rebekah Grenfell and Nick Haddon can assist you with any concerns.

"Bringing Faith and Learning to Life"

Dear students, families and staff,

**Melbourne Archdiocese Catholic Schools – School Improvement Surveys (MACSSIS):
Monday 1 September – Friday 19 September 2025**

Throughout each year, we pause to listen to our students, families and staff to gauge how our learning community is travelling. This feedback is invaluable to our progress as effective school communities and is backed by evidence-based research and best practices.

A significant and formal way in which we engage and gather data is through **MACSSIS**, the Melbourne Archdiocese Catholic Schools – School Improvement Surveys.

MACSSIS is a set of surveys that have been built specifically for Catholic schools in Melbourne by the Learning Services team at MACS, in partnership with researchers at Learning First and in wide consultation with principals in our schools.

In 2025, students, families and staff are invited to participate in MACSSIS via our secure and purpose-built online platform. The online platform is where our school leaders will access the summary reports that visualise the results of the student, family and staff surveys.

The MACSSIS survey platform is operated by an independent supplier, ORIMA Research Pty Ltd. The platform meets with the high security and privacy standards for handling student and school data. Participating schools are in the process of updating their privacy policy to ensure school communities are fully informed and protected.

Students in years 3-6, will be provided with supervised sessions, where teachers are on hand to help and answer any questions. Families and staff can complete the survey anytime over the three-week window via an emailed link and password. Feedback has indicated that previous surveys were completed across a range of mobile devices and different web browsers.

Our community's opinions are critical to understanding how our school is performing – MACSSIS is a key data source for guiding the ongoing work to improve our school.
