

Book week

Book Week is a wonderful celebration of the joy of reading, with students and staff embracing the fun of dressing up as favourite characters (some more than others!), sharing their love of literature and enjoying engaging live performances. The enthusiasm and creativity across the school has been fantastic, with high levels of student and staff participation creating a vibrant and joyful atmosphere. It is a wonderful opportunity to celebrate stories, imagination and the magic that books can bring to our lives.

If we were to give out St Anthony's awards, the winner would be Ms McGinnes for her lucky winner streak which provided us a session with Andy Griffiths. We had the exciting opportunity to see author Andy Griffiths bring his books to life through an engaging and entertaining live dialogue interaction. His energetic storytelling, humour and larger-than-life personality captivated students and staff, creating a memorable celebration of literature. It was wonderful to see students connect with the books in a new way and experience firsthand how stories develop and evolve.

And an honourable mention to Mr Walsh for the creativity and enthusiasm he brought to Book Week through Visual Arts. His imaginative activities provided students with opportunities to explore stories and characters through various art mediums, adding another wonderful dimension to our Book Week celebrations.

High student engagement creates happy, motivated students who are primed to learn through exploration, curiosity and discovery. When students are actively engaged and excited about their learning, they are more willing to ask questions, take risks, share ideas and make meaningful connections. This positive energy creates a learning environment where students feel confident, capable and ready to learn. Our student centered approach to all we do is underpinned by exactly this!

And the fun is not over yet! We hope to see many family members join us tomorrow afternoon from 2.30pm for a reading of a shortlisted book (or perhaps a winner) and a fun activity. Entrance is via the office, where sign in upon entry will take place before being directed to classrooms.

School Review

Our School Reviewer, Chris Bence, spent a couple of days onsite last week to find out all there is to know about St Anthony's. He commented within the first hour of being here on our positive culture. Many thanks to the parents who participated in the Parent Focus Group and the School Advisory Council. Each group had the opportunity to meet with our reviewer to discuss our school in five spheres (Religious Dimension, Learning & Teaching, Student Engagement, Leadership & Management and School Community). These two groups in addition to School Leaders, all staff (teaching and non), Student Leaders and a Student sample from Year 4-6 provided information for our reviewer which will underpin the recommendations for our next School Improvement Plan. Once the report has been finalised and the School Improvement Goals established, a plan will be constructed and further sharing will take place with all stakeholders in our community.

New Attendance Regulations

There are many new practices for Attendance and Child Safety, which as gradually rolled out will become visible in our policies, processes and practice. At St Anthony's we are committed to ensuring all our students are safe at any given time.

Students arriving after 9.00am (roll is taken at 9.00am, so even 9.05am) must be signed in at the office by an adult. While this may seem over the top and inconvenient, it is best practice and ensures all students are correctly accounted for. Automated messages when a student is not accounted for are sent and can create unnecessary angst when this process is not followed.

St Anthony's news

Melbourne Archdiocese
Catholic Schools

Any adult entering the school beyond the office (this includes going up to classrooms) when students are onsite, for whatever reason or length of time, must be signed in at the office and have a WWCC. If you are yet to provide your WWCC details, please do so asap.

Adults are not to enter the student toilets for any reason. If there is a need to assist your child, school age or preschooler, with toileting, head to the office to use the sick bay toilet.

Thank you in advance for your support and compliance in keeping all our students safe.

Twilight Fair

Our school fair is a wonderful opportunity for our community to come together, but it can only happen with the support of our amazing volunteers. From setting up and running stalls to helping with activities and packing up at the end, every helping hand makes a difference. We are incredibly grateful for the time, energy and enthusiasm our volunteers contribute. Without volunteers, our fair simply would not be possible.

The successful running of our school fair relies on strong organisation, teamwork and a clear handover of responsibilities. Many of our Fair Leads will finish their time with us in the next two years. Successful handover of Fair Lead roles is important so that knowledge, plans, contacts and key processes are shared to ensure continuity from one year to the next. This provides new Fair Leads with the support and confidence they need to take on their roles, while recognising the valuable work of those who have previously led the fair. A thorough handover helps ensure that the fair continues to be a positive, well-organised and successful community event. Without new Fair Leads, our Fair will not continue. Please see below for the opportunity to gather and find out how you can take on a Fair Lead Role in a supported and successful way. Succession is a key factor in longevity.

September Holiday Program

Our Holiday Program will again run on the following dates: 22, 23, 24, 29, 30 Sept and 1 October. More information is available in the attached flyer.

It is important to note that the continuation of the Holiday Program being offered is number dependent. We require a minimum number of registered students each day to ensure we are not covering the financial shortfall. If you are planning to have your child/children attend, book in asap.

MACSSIS (Melbourne Archdiocese Catholic Schools School Improvement Survey)

MACSSIS is a low impact, high return set of tools for creating, collecting, analysing, interpreting and using data to inform Catholic school improvement. MACSSIS produces perception data. This data tells us about what different people in a school community think and feel about their learning environment.

The surveys gather data from:

- students in Years 4–6
- families
- teachers and non-teaching staff.

Survey questions cover several domains, which vary across the student, family and staff datasets.

Next week all families will be invited to have their say via the confidential survey. This data is extensively analysed and used as a key driver in our Annual Action Plan (AAP) each year.

2026 BOOK WEEK DRESSUP

SAVE THE DATE | Twilight Fair 2027

FRIDAY 12 MARCH 2027

St Anthony's Twilight Fair 2027 — Your Community Needs YOU !

Mark **FRIDAY 12 MARCH 2027** in the calendar, because 2027 is set to be another unforgettable **St Anthony's Twilight Fair** — our school's biggest, brightest and most beloved fundraiser of the year! It's the night our whole school community comes alive... and it doesn't stop there. Families from right across the inner north come through our gates to join the fun, making this so much more than just a school event — it's a true community celebration.

But here's the thing: **every great fair needs a great team behind it**, and this year we're at an exciting turning point. Our amazing Fair Committee has steered the ship brilliantly for years, but 2027 marks the last Twilight Fair for some of our long-standing members, as well as some members retiring from the committee this year.

That means it's time to **pass the torch** — and we're looking for warm hands and fresh ideas to step in and **take the reigns for 2027's Twilight Fair to go ahead**. Rest assured there will be plenty of support from our retiring members during this transition period, during the lead up and on event day.

We're on the hunt for wonderful humans to take on the following roles (in either individual or team capacity):

Fair Leadership — the heart of the operation, bringing the whole event to life

Sponsorship Leadership — building relationships with local businesses who help make the magic happen

Marketing & Social Media Leadership — spreading the word and building the buzz

Food/Kitchen Leadership — serving up the flavours that keep the whole fair fuelled and happy

No experience required — just enthusiasm, a bit of time and a love for our school community. Whether you've got big ideas, great connections, or just want to get involved and see what it's all about, there's a place for you.

Want to find out more before you commit? Come along to our Information Session and see what it's all about!

Sunday 13 September 2026 at 3pm

St Anthony's School - Playground and Atrium

Bring the kids for a play in the playground, grab some snacks, and hear all about how you can help make the Twilight Fair bigger and better than ever. No pressure — just a relaxed chance to meet the current committee, ask questions and see where you can make the most impact.

This is **YOUR** chance to help shape one of the highlights of St Anthony's year — and have a whole lot of fun doing it too! Let's keep the Twilight Fair magic going!

RSVP: hello@sapf.com.au by 11 September 2026

A huge thank you to everyone who shared their feedback on the 2026 Twilight Fair — we've been listening, and it's helping shape an even better event for 2027!

FEE: \$94.50 AFTER MAX CCS*: \$9.45	STEM in spring  Ready to think, build and create? Take on a cup tower challenge before designing your own working clock. Add a colourful spring-inspired design and showcase your STEM skills. FEE: \$94.50 AFTER MAX CCS*: \$9.45

*Check your eligibility for CCS at Services Australia.

Important Information

What to bring

- ✓ Morning tea, lunch and snacks
- ✓ Refillable water bottle
- ✓ Suitable clothing for the weather, SunSmart hat, closed toe shoes, jacket in case of rain

What we provide

- ✓ Breakfast each morning until 8:30am
- ✓ Afternoon tea
- ✓ Sunscreen, but you are welcome to provide your own if your child needs a specific brand

Please remember

- ✓ Label your child's items clearly
- ✓ No nuts please!
- ✓ No food items that need to be reheated

Medical Needs

- ✓ A Medical Management Plan with a colour photo must be provided for children with a medical condition including allergies, food/chemical intolerances, anaphylaxis, asthma and epilepsy.
- ✓ A Risk Minimisation and Communication Plan must be completed for children with a diagnosed health-care need, allergy or relevant medical condition. If one has not yet been completed, our educators will assist you to complete it on your child's first day of attendance.
- ✓ Provide the prescribed medication as listed on the plan, in its original packaging and clearly labelled with your child's name.

Excursions

Please arrive by 8.30am so we can leave on time, and ensure the children don't miss out.

If your child is attending an excursion, please complete a permission form at the service on the morning of the excursion.

The excursion risk assessment will be available for you to view on the day.

Drop off and pick up

All children must be picked up each day by an authorised adult. Please ensure you sign your child in and out each day on the service iPad.

Unexpected changes to activities

Activities and times may change due to unforeseen circumstances, such as poor weather or circumstances beyond our control. If this happens, we will provide an alternative activity to ensure children continue to enjoy their day.

How to Book

Step 1: Check if your child is enrolled at this school

- If your child attends OSHC at the school hosting the holiday program, go straight to **Step 3** to start booking.
- If your child attends OSHC at a different school or does not attend OSHC, go to **Step 2** and complete the enrolment form. This includes children attending MACSEYE OSHC at other schools.

Step 2: Complete the enrolment form by 13 September

- Scan or click the QR Code and complete the enrolment form.
- Once your enrolment is confirmed, we will email you a unique link to download the Xplor Home App.

Step 3: Book your days

- Book holiday program days via the Xplor Home App.

Important

- New enrolments must be submitted by **13 September**.
- Walk-ins cannot be accepted.
- The enrolment process must be completed before your child attends the program. This includes ensuring all medical and supporting documents have been provided.

Child Care Subsidy

MACSEYE's holiday program is approved for the Child Care Subsidy (CCS), allowing eligible families to reduce their out-of-pocket expenses. To check your eligibility for CCS, visit the Services Australia website or login to your MyGov account.

Cancellation policy

Minimum of 7 days' notice is required for booking cancellations.

Normal fees apply for cancellations outside the minimum notice period and the booking will be recorded as an absence.

CCS will be applied to the absence, and the gap fee will still be payable.

Contact Us

For help with enrolments and bookings, get in touch with our team:

MACSEYE is a subsidiary of Melbourne Archdiocese Catholic Schools (MACS).

St Anthony's Parent & Friends invite you to join us for

Father's Day Breakfast

Friday 4th September from 8am

The MacKillop Room

followed by time in classroom till 9.15am

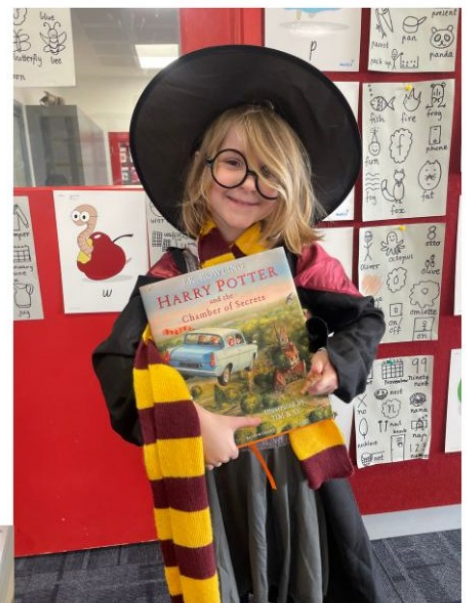

**All fathers, brothers, grandfathers & special people
welcome**

Light Snacks will also be provided for the children
(note, it's advisable they have breakfast beforehand)

Please let us know if you have any dietaries

hello@sapf.com

Book Week in Prep BG!

GROWING GREAT KIDS!

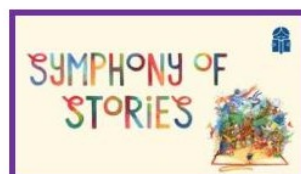

Book week is an opportunity to foster a love of reading in our children. Not skills, not ability, not comprehension, but simply love of the story. Fun books, interesting books, silly books and serious books. All the books!

One of my favourite rituals each morning is to sit with a cup of tea and book before I start my day. I do this every day, without fail. I prioritise time for quiet, creativity and imagination, and it means that when I go out into what generally ends up being a very busy day, I go with an extra touch of resilience, because I have already taken time to centre myself and let my imagination wander for a little while. Reading is an incredibly mindful experience, and the benefits of that go through my day with me.

I think we are all very aware of the importance of reading for language development, and as a life skill, but there are so many more benefits. Connection is one that comes to mind. Reading alongside someone quietly, at the beach, in the sunshine on the weekend, or on the couch at home. Book clubs, where you can share ideas and pass on books, while having a laugh with friends. Community and connection are such an important part of living a full and rich life, and books can be a big part of that. One of my most treasured memories is of my Dad reading to my siblings and me well into our primary school years. *The Hobbit*, *The Faraway Tree* and *The Lion, The Witch and the Wardrobe* all bring those memories back. He read to us long past when we were capable of reading for ourselves. That love of reading has clearly stuck with me, because I could happily read for hours each day!

Creativity is another benefit of reading. There is nothing more delightful than getting completely lost in a story. In our newsletter in week 3, Tania talked about growth mindset and referenced an article about finding your child's 'natural edge', where their abilities, their interests and their personality intersect, creating the optimal environment for flow and achievement, and I can't help but think about how reading can support this. It can expose them to different places, different interests, it can help them see themselves or representations of themselves out in the world, and it can help them appreciate others that might look different or feel different, building empathy and celebrating diversity.

So this week, think about which books you love, which books spark a sense of fun inside you, make you think, make you laugh or even make you cry, and share those with your children. Look up the authors online and reach out to them or follow them on social media for some truly entertaining and wholesome content – it will do your algorithm wonders! Visit your local bookshop or library, and above all else, read what you love and your children will too!

Yoga Fundraiser

Join St Anthony's mum and Yoga Spot Fairfield director Megan Gamble for a calm, slow evening of Yin Yoga and Sound on Sunday 30th August at 6.15pm.

This Parents & Friends fundraiser will begin with a gentle yin yoga practice, using long-held, supported postures to release tension, improve mobility, and invite stillness into both body and mind.

We'll then transition into a restorative sound meditation, where the soothing tones of crystal singing bowls and other therapeutic instruments create space for deep relaxation and rest.

Suitable for all levels, this class is an opportunity to step away from the pace of everyday life, to leave the kids at home and reconnect with yourself. It's an invitation to simply be. And if you haven't stepped inside the sanctuary that is Yoga Spot Fairfield on Station Street, you're missing a local highlight.

No yoga experience needed. Wear comfortable clothing, bring an open mind, and BYO yoga mat (if you have one).

Leave feeling lighter, calmer, and deeply restored.

Location - Yoga Spot Fairfield, 70 Station St, Fairfield (next to Flour & Salt)

Tickets \$30 - Scan QR to Purchase Tickets

Our trip to the zoo 3-4MW

On the 20th of August the 3s to 6s went to the Melbourne zoo. We arrived at around 10 AM and didn't waste time eating recess and fruit so we could get into the action packed day immediately.

Since we didn't want to waste any time at all we went to the nearest exhibit which was the lion gorge, it contained dingos, lions pythons, snow leopards, a tiger that was hidden and refused to show up and 2 Tasmanian devils` which were nocturnal and were sleeping.

After a visit to the lion gorge which contains truckloads of fun we went to the sea life enclosures where we saw Port Jackson's sharks, Globe fish, sting rays and more colourful fish. After that we immediately headed the giraffe exhibit, there were some really annoying siamangs near but apart from that we really enjoyed them the tallest male was just above 5 meters in height.

After that we went to the play area and had lunch. The 3s and 4s went to the Australian bush and bird aviary while the 5s and 6s went to the gorilla rainforest. The 5s and the 6s saw the big strong gorillas and cute otters, while the 3s and 4s saw different types of birds and we saw a ginormous Cassowary. We did an educational secession about observing, and noticing what is outside in nature. The 5s and 6s learned about different animal adaptations.

Finally we went to the reptile house where we saw Philippine crocodiles, blood pythons and many other types of snakes, frogs, turtles and lizards. We sadly had to go back to school after a beautiful day packed with fun. We really hope to come back again.

MUSIC LESSONS AT ST ANTHONYS PS

**** MUSIC TUITION INCREASES CONFIDENCE, SELF ESTEEM AND HELPS TO IMPROVE SCHOOL SUBJECTS – MATHS, LITERACY, SCIENCE, READING ETC ****

ST ANTHONYS Primary School in association with Metro Music School is now offering Music Lessons to students who are interested in learning an instrument at school every week. Lessons are held during school hours (30 mins/once per week) at suitable times. (Prep to Gr 6) Enquiries are welcome on 9460 4818 (Metro Music School).

Lessons Offered: **KEYBOARD PIANO GUITAR – (subject to sufficient enrolments)**

Discount Hiring and Purchase also available. Contact us for details or visit our online shop at www.metro-music.net.au

Please enrol online at the above website address.

DRAMA CLASSES

Anne has been a therapeutic theatre maker for more than 13 years, collaborating with young actors to write performances based on personal narratives. As a drama teacher, Anne allows children the ability to tap into their imagination, and express it through play. There is no expectation for them to "perform". Simply, to explore and enjoy the process. These classes aim to build students' confidence, enhance their imagination and encourage creative expression. While also developing skills such as problem-solving, adaptability, collaboration and emotional intelligence.

Location St Anthony's Primary School Alphington

Wednesday 4.30 - 5.30 for 9 - 12 year old

Thursday 4.00 - 5.00 for 6 - 8 year old
