

The Term that was Term 3!

What an incredible term it has been at St Anthony's! Our school has been buzzing with learning, celebration, connection and opportunities for our students to grow, discover and shine.

We began with a wonderful **Feast Day Celebration**, coming together to celebrate our patron saint, St Anthony. Our year 6 students also experienced the significance of **Confirmation**, marking an important faith milestone and celebrating with family, friends and our parish community.

We were proud to participate in the **Fire Carrier Forum**, providing opportunities for our students to listen, learn and deepen their understanding of Aboriginal and Torres Strait Islander culture and perspectives. Our **Principal for the Day** experience was another highlight, giving an opportunity to step into leadership, share their ideas and experience school life from a different perspective.

This term also saw our school participate in a **School Review**, reflecting on our achievements, celebrating our strengths and looking ahead to how we can continue to improve learning and wellbeing for every student.

There has certainly been no shortage of learning beyond the classroom! **Science Week** sparked curiosity, investigation and plenty of wonderful questions, while **Book Week** brought stories to life through creative activities, costumes, literature and live performances. Our excursions and incursions provided hands-on learning experiences that encouraged students to explore, wonder and discover the world around them.

Many of our year 3-6 students represented St Anthony's with pride at District Athletics, demonstrating determination, teamwork and a wonderful sporting spirit.

And who could forget our **Father's Day Breakfast**. It was a beautiful morning, the MacKillop Room was filled with conversation, laughter and connection as we welcomed fathers, grandfathers, carers and special people into our school community.

And the fun isn't over yet!

We still have our **School Disco** to look forward to, followed by our **Wear Your Favourite Sport Uniform or Sports Colours Fun Day**. With a 9.00am sports parade open to all, before the students experience games and Kahoots organised by our senior students. Morning tea provided, thanks to a wonderful P & F. It promises to be a fantastic way to celebrate the end of term together.

Is it any wonder we are all tired? (And I could have added so much more..)

What a term it has been — faith, learning, leadership, curiosity, creativity, community and plenty of fun! We are incredibly proud of the enthusiasm and engagement our students have shown throughout the term. They are happy and connected learners who are ready to explore, ask questions, take on challenges and discover their potential.

School Review

Our Dialogue and Engagement session, attended by the reviewer, MACS consultants and our School Improvement Team has been postponed till Term 4. The report and 2027 goals will be established and shared after this has taken place.

New Attendance Regulations

There are many new practices for Attendance and Child Safety, which as gradually rolled out will become visible in our policies, processes and practice. At St Anthony's we are committed to ensuring all our students are safe at any given time.

Students arriving after 9.00am (roll is taken at 9.00am, so even 9.05am) must be signed in at the office by an adult. While this may seem over the top and inconvenient, it is best practice and ensures all students are correctly accounted for. Automated messages when a student is not accounted for are sent and can create unnecessary angst when this process is not followed.

Any adult entering the school beyond the office (this includes going up to classrooms) when students are onsite, for whatever reason or length of time, must be signed in at the office and have a WWCC. If you are yet to provide your WWCC details, please do so asap.

Adults are not to enter the student toilets for any reason. If there is a need to assist your child, school age or preschooler, with toileting, head to the office to use the sick bay toilet.

Thank you in advance for your support and compliance in keeping all our students safe.

Twilight Fair Meeting This Sunday, 13 September at 3pm

Our school fair is a wonderful opportunity for our community to come together, but it can only happen with the support of our amazing volunteers. From setting up and running stalls to helping with activities and packing up at the end, every helping hand makes a difference. We are incredibly grateful for the time, energy and enthusiasm our volunteers contribute. Without volunteers, our fair simply would not be possible.

The successful running of our school fair relies on strong organisation, teamwork and a clear handover of responsibilities. Many of our Fair Leads will finish their time with us in the next two years. Successful handover of Fair Lead roles is important so that knowledge, plans, contacts and key processes are shared to ensure continuity from one year to the next. This provides new Fair Leads with the support and confidence they need to take on their roles, while recognising the valuable work of those who have previously led the fair. A thorough handover helps ensure that the fair continues to be a positive, well-organised and successful community event. Without new Fair Leads, our Fair will not continue. *This Sunday we are inviting anyone and everyone to attend a 3pm gathering in the MacKillop room for afternoon tea and an opportunity to find out how you can become involved in the Twilight Fair. Children are most welcome and will no doubt seize the opportunity to play outside.*

September Holiday Program Update

Our Holiday Program will again run on the following dates: 22, 23, 24, 29, 30 Sept and 1 October. More information is available in the attached flyer.

It is important to note that the continuation of the Holiday Program being offered is number dependent. We require a minimum number of registered students each day to ensure we are not covering the financial shortfall and at the moment our daily bookings are rising ever so slowly. If you are planning to have your child/children attend, please book in asap.

Reminder to complete your MACSSIS (Melbourne Archdiocese Catholic Schools School Improvement Survey)

All families have received an email with the link to the survey and a personalized password. The survey is anonymous and a data set we continually use for goal setting to drive improvement through the year. At the moment participation is at 30%, let's raise it to 90% as a minimum.

Inter School Sports Finals

On Friday the 4th of September we went to Chelsworth Park to play the girls semi final for Touch football. We had a really good time there. It was a fair game and we tried our best.

Unfortunately we lost the game but it was a close match.

Student Showcase Afternoon

On **Tuesday, 15th September** we will be hosting a student Showcase afternoon.

Parents are invited to visit their child's classroom any time between **3:00pm-4:45pm** to see what students have been learning throughout Term 3. This is a great opportunity for you to see your child's learning in action and hear from them about what they have learnt over the term.

School finishes at the normal time of **3:30 pm**, however classrooms will remain open if you wish to view your child's work after this time.

We look forward to seeing you there!

- ✓ Provide the prescribed medication as listed on the plan, in its original packaging and clearly labelled with your child's name.

Excursions

Please arrive by 8.30am so we can leave on time, and ensure the children don't miss out.

If your child is attending an excursion, please complete a permission form at the service on the morning of the excursion.

The excursion risk assessment will be available for you to view on the day.

Drop off and pick up

All children must be picked up each day by an authorised adult. Please ensure you sign your child in and out each day on the service iPad.

Unexpected changes to activities

Activities and times may change due to unforeseen circumstances, such as poor weather or circumstances beyond our control. If this happens, we will provide an alternative activity to ensure children continue to enjoy their day.

How to Book

Step 1: Check if your child is enrolled at this school

- If your child attends OSHC at the school hosting the holiday program, go straight to **Step 3** to start booking.
- If your child attends OSHC at a different school or does not attend OSHC, go to **Step 2** and complete the enrolment form. This includes children attending MACSEYE OSHC at other schools.

Step 2: Complete the enrolment form by 13 September

- Scan or click the QR Code and complete the enrolment form.
- Once your enrolment is confirmed, we will email you a unique link to download the Xplor Home App.

Step 3: Book your days

- Book holiday program days via the Xplor Home App.

Important

- New enrolments must be submitted by **13 September**.
- Walk-ins cannot be accepted.
- The enrolment process must be completed before your child attends the program. This includes ensuring all medical and supporting documents have been provided.

Child Care Subsidy

MACSEYE's holiday program is approved for the Child Care Subsidy (CCS), allowing eligible families to reduce their out-of-pocket expenses. To check your eligibility for CCS, visit the Services Australia website or login to your MyGov account.

Cancellation policy

Minimum of 7 days' notice is required for booking cancellations.

Normal fees apply for cancellations outside the minimum notice period and the booking will be recorded as an absence.

CCS will be applied to the absence, and the gap fee will still be payable.

SAVE THE DATE | Twilight Fair 2027

FRIDAY 12 MARCH 2027

St Anthony's Twilight Fair 2027 — Your Community Needs YOU !

Mark **FRIDAY 12 MARCH 2027** in the calendar, because 2027 is set to be another unforgettable **St Anthony's Twilight Fair** — our school's biggest, brightest and most beloved fundraiser of the year! It's the night our whole school community comes alive... and it doesn't stop there. Families from right across the inner north come through our gates to join the fun, making this so much more than just a school event — it's a true community celebration.

But here's the thing: **every great fair needs a great team behind it**, and this year we're at an exciting turning point. Our amazing Fair Committee has steered the ship brilliantly for years, but 2027 marks the last Twilight Fair for some of our long-standing members, as well as some members retiring from the committee this year.

That means it's time to **pass the torch** — and we're looking for warm hands and fresh ideas to step in and **take the reigns for 2027's Twilight Fair to go ahead**. Rest assured there will be plenty of support from our retiring members during this transition period, during the lead up and on event day.

We're on the hunt for wonderful humans to take on the following roles (in either individual or team capacity):

Fair Leadership — the heart of the operation, bringing the whole event to life

Sponsorship Leadership — building relationships with local businesses who help make the magic happen

Marketing & Social Media Leadership — spreading the word and building the buzz

Food/Kitchen Leadership — serving up the flavours that keep the whole fair fuelled and happy

No experience required — just enthusiasm, a bit of time and a love for our school community. Whether you've got big ideas, great connections, or just want to get involved and see what it's all about, there's a place for you.

Want to find out more before you commit? Come along to our Information Session and see what it's all about!

Sunday 13 September 2026 at 3pm

St Anthony's School - Playground and Atrium

Bring the kids for a play in the playground, grab some snacks, and hear all about how you can help make the Twilight Fair bigger and better than ever. No pressure — just a relaxed chance to meet the current committee, ask questions and see where you can make the most impact.

This is **YOUR** chance to help shape one of the highlights of St Anthony's year — and have a whole lot of fun doing it too! Let's keep the Twilight Fair magic going!

RSVP: hello@sapf.com.au by 11 September 2026

A huge thank you to everyone who shared their feedback on the 2026 Twilight Fair — we've been listening, and it's helping shape an even better event for 2027!

GROWING GREAT KIDS!

Fun Day Term 4, is going to be...fun! The theory behind beginning every term with a day of fun is not actually about the fun, but about the connection. A connectedness to school and a sense of belonging is the first step to learning. Without this, students cannot be themselves, build confidence or take risks. Everything begins with and builds on the strength of the relationships they have within our school community.

This sense of belonging begins well before children start coming to school. As parents, to raise resilient children, we need to build a level of dependence and predictability first, so they can have the confidence to move away from us and become independent, knowing that we will be there for them should they need us. That line can be tricky! To know when to be there and when to step back is no easy decision and can change depending on the day and the circumstances. In the classroom, this might look like the moment we think a student has understood a concept, only to realise that no, we need to step in and reteach one part. At home it might look like letting your child do something new, something hard, or even just letting them sit with discomfort or disappointment. This, as parents know, can be just as hard for us as it is for them! But with a basis of connection, children can manage a lot more than we think they can.

Having a day to focus on connections can help ease the transition of leaving the comfort of home they've enjoyed for the holidays and move back into a new term with confidence and anticipation of having a wonderful time at school.

Which brings us back to fun day! In Term 4, we are going to keep the book week fun alive by having a workshop with New York Times bestselling author, Adam Wallace. Adam has written over 4000 stories and published over 180 books. He spends a lot of time on the New York Times best-seller list too! He is innovative (check out hatman.com.au for his musical in a book or The Elfabets where you become the illustrator), endlessly creative, ridiculously (seriously ridiculous!) fun, and is above all kind. In addition to writing funny books for kids, he recently wrote a book on kindness that he read on Instagram one chapter at a time, just to share a little bit of love with the world! He also loves golf and hot chips. They feature a lot! Adam uses storytelling and drawing to build a

love of reading and writing, and chucks in a whole load of laughter! For a list of his books, you can visit his website - <https://www.adam-wallace-books.com/> We are very excited to have Adam come and visit us at St Anthony's.

We wish everyone a wonderful holiday. Spend time relaxing, spend time with your loved ones, have fun and we will see you back for some serious fun on Tuesday, October 6th.

DRAMA CLASSES

Anne has been a therapeutic theatre maker for more than 13 years, collaborating with young actors to write performances based on personal narratives. As a drama teacher, Anne allows children the ability to tap into their imagination, and express it through play. There is no expectation for them to "perform". Simply, to explore and enjoy the process. These classes aim to build students' confidence, enhance their imagination and encourage creative expression. While also developing skills such as problem-solving, adaptability, collaboration and emotional intelligence.
